

Firearms Academy

Response to Active Shooters in Public Places Course

LENGTH OF COURSE: 1 day (8 hours)

TUITION: \$250

Course description:

APT Firearms Academy's Response to Active Shooters in Public Places Course combines lecture and hands on training to teach Uniform Patrol first responders the proper techniques for locating, engaging and stopping an active shooter. Instruction on response formation will be given and the course will address first responder responsibility, incident command, contact team and rescue team responsibilities, victim recovery, basic room clearing, and improvised explosive devices (IEDs).
